Choose your ideal team building and breakout activity

Special effects station

Our crew have been slipping and sliding in fake blood and loose limbs for over 25 years. Watch and listen as our crew spill some movie magic secrets and whip up a batch of fake blood, sculpt and design realistic faux wounds on your guests and show off silicon and latex props.

Creative workshops

We've been making cool stuff since 1987. We love to share our creativity with others and invite you to roll up your sleeves and get hands-on. Learn the practical magic of film effects, guided by our expert crew. Choose one or combine multiple workshops to craft your unforgettable creative event.

In-house production

We partner exclusively with the SkyCity events team and Streamliner Productions to offer the following in-house production services:

Audiovisual requirements

Streamliner Productions can assist in providing you with lighting, audio, video and furniture services to ensure your event is a total creative show.

Food and beverage catering

We partner with SkyCity's talented food and beverage team. Executive Chef, Lee Sugiandi, has a passion for innovative, sustainable practices using fresh produce, locally sourced with a touch of New Zealand inspiration. SkyCity offers carefully considered menu options whether it is a formal three-course dinner, canapes or bespoke menus for that something extra special.
